THE AMERICAN SOCIETY OF SAFETY ENGINEERS CALL FOR INTERACTIVE RESEARCH POSTER SESSION

Safety 2015 Professional Development Conference and Exposition

The American Society of Safety Engineers is pleased to announce the ASSE Interactive Research Poster Session at the Safety 2015 Professional Development Conference (PDC) to be held **June 7-10, 2015 in Dallas, TX**. Safety, health and environmental educators, students, professionals, researchers and others are urged to submit original contributions related to the fields of safety, health and environment that can be displayed in an educational poster format.

Overview/Objective

The purpose of the Safety 2015 Interactive Research Poster Session is to provide a means of stimulating interest in safety, health and environmental research, as well as communicating other useful OSH information to the profession to include best practices, new program initiatives, etc. Objectives of the Interactive Research Poster Sessions are to enable OSH professionals to:

- Identify key issues in OSH
- Expand their knowledge to improve their professional skills
- Prepare for the challenges in the OSH fields
- Identify emerging issues relevant to the profession
- Contribute to the ASSE Body of Knowledge

In addition to the Interactive Research Poster Session, participants have the opportunity to submit a video presentation of their research, findings, etc. These videos provide the conference attendee an opportunity to hear about new programs and initiatives from your research findings.

Categories

- Undergraduate Student
- Graduate Student (Full time student)
- Other (including Faculty and Government)

Why Participate?

ASSE's Professional Conference connects peers, leaders in the field and others who share common goals, interests and needs

- Significant benefits are available to conference attendees, poster session presenter, and the companies/universities they represent
- Students, many of whom are about to join the professional work force, profit significantly from the experience of meeting the practicing profession and presenting a poster session
- Poster presentations may reflect completed research or research in the final stages of the data collection, with preliminary results available.
- Videos present have the opportunity to contribute to the ASSE Body of Knowledge.

Poster and Video Presentation – How it works

Complete the attached proposal submission form no later than March 9, 2015 and include a video presentation (2-3 minutes) explaining your research and findings. Posters are reviewed by a committee and those selected to be showcased as a finalist at the conference will be notified no later than April 6, 2015. Your poster will be judged by a panel of ASSE members and Practice Specialty members during the conference and a winner from each of the three categories will be announced Monday morning after the final judging. In addition, you will need to be available with your poster at select times during the conference for question and answer sessions regarding your poster.

Video presentations will be shown during the conference and attendees will have the opportunity to vote for the "People's Choice". The winning video will be included as a contributor in the ASSE Body of Knowledge (BOK)!

Review Process-Criteria

All poster submissions must include expected learning objectives to identify future/potential OSH Good Practices. Student applicants are advised to have a Faculty Advisor review their abstract before submission. Structured abstracts should include only essential content areas for communicating educational and research information. “Purpose” and “Methods” sections are required for all abstracts. Abstracts reflecting completed research must also contain “results” and “conclusions” sections. Poster displays should be substantive and not advertisements.

Submission Deadline

The submission deadline is March 9, 2015. Include with your submission, a video, link to YouTube or a PowerPoint with audio explaining your poster. There is a limit of 2 poster submissions per person.

Registration Information

Presenters will be notified by email no later than April 6, 2015. Registration information will be provided at that time for those individuals who are presenting. No more than (2) presenters will be allowed to register as co-presenters for each poster session.

- Students and Graduate student presenters will receive a complimentary registration (up to two registrations per poster).
- Other (including government and faculty) presenters will receive a \$100 discount off the PDC applicable conference registration rate (up to two registrations per poster).
- You are responsible for your own hotel and travel arrangements. Please be sure to arrange your own travel transportation and hotel prior to the conference.

NOTE: Should your poster presentation be chosen to display at the PDC, ASSE retains the rights to publish any papers or video footage in its various publications and include in its Body of Knowledge.

Set Up Information

- Poster setup is Sunday, June 7 prior to 2:00pm.
- Your poster must remain on display from Sunday, June 7 at 2:00pm until Wednesday, June 10 at 2:00pm.
- Posters must remain up until Wednesday, June 10 after 2:00pm. Any posters left after 4:30pm will be discarded.
- Poster display should be designed to fit on a standard bulletin board (4' H x 8' L).
- Small display table under each bulletin board can be used for additional materials.
- Poster submitter is responsible for all expenses associated with the preparation, submission, presentation, and personal travel to attend the event.

Poster Presentation Schedule

All accepted poster presenters must be present with their poster at the following specific times:

- Monday, June 8 from **9:00am – 10:30am**
- Tuesday, June 9 from **9:00am – 10:00am**

Other

- There is no requirement for membership in ASSE, but registration for Safety 2015 is required.
- Video submissions are not mandatory but encouraged.
- Final number of accepted posters will depend on final space and logistics requirements.
- Questions? Contact Cindy Milner at (847) 768-3448 or via email at cmilner@asse.org
