

## Safety 2015 Student Roundtables Call for Volunteers

Monday, June 8, 2015

2:00pm – 3:30pm

Kay Bailey Hutchinson Convention Center, Dallas, TX

We are looking for volunteers to facilitate roundtable discussions with students who want to learn more about careers in OSH. As a roundtable facilitator, you will sit down with groups of 5-7 students to have an open exchange about the day-to-day experiences of an OSH Professional. Facilitators select their own topic but examples of previous sessions include: *Construction*, *Five Keys to Building Your Leadership & Safety Skills* and *Is Grad School Right for Me?*

There will also be open networking time dedicated to discussing the Conference and addressing questions students might have about what to expect at PDC or how can they make the most of their experience at the conference.

Whether you have attended the PDC many times, or you are a young professional attending for the first time, your input is invaluable to our student members.

If you are interested in volunteering, please fill out the information below and e-mail this form to [Lthompson@asse.org](mailto:Lthompson@asse.org).
